BCTA discusses mass literacy programme

By A Staff Correspondent

A meeting of the Executive Committee of Bangladesh Government College Teachers' Association was held at Badrunessa Women's College on Monday, says a Press release.

The meeting discussed the mass literacy programme and chalked out a comprehensive plan. The meeting also asked all the college units of the association to make the programme a success.

Under the mass literacy programme about 50,000 people will be covered, the Press release added.

The meeting also decided to hold its annual general meeting and election on March 14 and 15 next.

The meeting also urged the government for immediate fulfilment of some of their demands.
