## DU students call strike tomorrow

General students of Dhaka University have called strike at the varsity for December 12 (Monday) to press the authorities to free Kataban mosque from the occupation of a political party, reports UNB.

The demand realisation committee, a platform of general students, gave the strike call on Friday.

They alleged Jamaat-e-Islami turned the mosque, located beside Ziaur Rahman Hall, into a training and business centre for Shibirites, the party's student activists.
