DU confers PhD on 320 persons since 1921

Varsity Correspondent

Dhaka University has conferred Ph D (Doctor of Philosophy degree) and Honorary Doctorate degree on some 353 persons since its inception in 1921.

The university awarded Ph D degrees to 320 researchers for outstanding contribution to their respective fields in the last 74 years. Some 251 researchers were awarded Ph D, the highest degree in academic fields since independence, 31-researchers were awarded the degree in British ruled period (1921 to 1947) and another 43 in Pakistan ruled period (1948 to 1972).

The researcher who was first awarded Ph D by Dhaka University was Mr. Benoytosh Bhattacharya for his research topic "Buddhist Iconography" on December 12, 1925. The first muslim to set the honourable degree was Mr. Rajob Ali Mirza. He received this degree in 1939.

33 persons were so far awarded honorary Doctorate Degree by Dhaka University for contribution to their respective fields nationally and internationally.
