Ganotantrik Chhatra Oikya (GCO) will gherao the VC's office on August 2 and observe strike in Dhaka University on August 13 and 14 demanding cancellation of the "discriminatory" admission rule of the university.

Addressing a rally on Thursday at Amala of Arts Building the GCO leaders announced the programmes in support of its demand for cancellation of special admission quota system for the children of teachers, officers and employees.

The rally was addressed, among others, by Mizanur Rahman Chandan, Abdullah-Hil-Quaim, Nurul Islam and Faruk Ahmed.

The GCO leaders said that the "discriminatory" admission rule of Dhaka University would tarnish the image of the university. The Chhatra Oikya leaders also criticised the university authorities for its failure to take any decision about 20 meritorious students.
