Varsity Correspondent

The leaders of different student organisations including Bangladesh Chhatra League (S-P) and Jatiyatabadi Chhatra Dal (JCD) after a two-day discussion signed a Memorandum of Understanding (MOU) regarding bringing back congenial atmosphere in Dhaka University.

As per MOU, the opposition party's student wing Jatiyatabadi Chhatra Dal (JCD) will withdraw its indefinite strike from Saturday that caused suspension of classes and other academic activities and postponement of examinations in Dhaka University.

The meeting was initiated by Ganatantrik Chhatra Oikya (GCO), a joint body of eight left-leaning student organisations.

According to the MOU, the university authorities with the cooperation of the leaders of active student organisations will take necessary steps to remove non-students and outsiders from all the residential halls and rehabilitate the local students at their respective seats.

To rehabilitate the "genuine" resident students in their dormitories, the hall inmates will be directed to come outside their respective halls for a while and will be allowed to enter the hall after verifying their identity cards in presence of hall administration, proctor and leaders

of different student organisations.

The consensus was reached in a joint meeting of JCD, BCL (S-P) and Ganatantrik Chhatra Oikya (GCO) with acting Vice-Chancellor of Dhaka University Prof Shahiduddin Ahmed in the chair. After a four-hour long meeting on Wednesday it again began on Thursday at the VC's
