DU Science Faculty students hold function

Varsity Correspondent

Final year students of different departments under the faculty of science, biological sciences and the faculty of pharmacy of Dhaka University held a function at the University TSC on Monday.

Vice-Chancellor of the university Prof. A.K. Azad Chowdhury attended the function as chief guest. Dean of Science Faculty Prof. Sultan Hossain, Proctor of the university Dr Nurunnabi, Dr. Enamul Haq and Abuzar Kabir also took part on the occasion. Shamim Ahmed presided over the function.

The Vice-Chancellor in his speech said that Dhaka University had been playing an important role in all movements to achieve fundamental rights of students and people of the country since its inception in 1921. "It is also playing a vital role in the country's economy, politics and social sciences," the V-C added.

Prof. A.K. Azad Chowdhury also said 80 per cent of those who had governed the country, were the students of Dhaka University. He called upon the students of the university to be competent citizens of the country by acquiring knowledge.

Turning to the present situation of the university Vice-Chancellor Prof. Azad Chowdhury urged the students to come forward unitedly to resist the evil forces which were trying to disrupt the normal academic atmosphere of the university.

Earlier, a colourful procession was brought out from the Curzon Hall premises of the university.
