DU to serve show cause notice on 3 students

Staff Correspondent

Dhaka University disciplinary council at a meeting on Wednesday reviewed the enquiry committee reports on the kidnapping of a businessman by some students of Surja Sen Hall on September 23 and approved the reports.

As per the recommendations of the reports, the council decided to serve show cause notice, on one student Mohsin of Surja Sen Hall for his direct involvement with the kidnapping incident. Besides, two other students Ziaur Rahman Anu and Harunur Rashid who were associates of Mohsin to commit this crime would also be served show cause notice.

The enquiry committees also held some outsiders responsible for the crimes but the university authorities would not be able to take any action against them as they are not the students of the university.

However, after having the reply of Mohsin, Anu and Rashid of the show cause notice, the concerned authorities of the university would take actions against them.
