District Judge's Court set aside on April 7 an order of the Fourth Sub-Judge Court; which stayed holding of the annual session of the University's Fifth Senate scheduled on June 27 last year.

The Vice-Chancellor convened the special meeting of the Senate under Article 21(2) of the Dhaka University Order 1973, says a press release.

The Senate, elected in October 1988, could not meet for more than one-and-half year due to the injunction following controversy over the system of electing 25 representatives from among the registered graduates.

The registered graduates, A.K.M. Shahidullah and A.K.M. Ali Reza, filed the case arguing that the Senate session could not be held without electing their representatives.
