Law order situation in DU reviewed

A meeting of provosts, representatives of different hall unions, teachers association, officers association, class three, and four technical union and employees association, was held on Saturday with the Vice Chancellor Prof. M Moniruzzaman Mia in the chair, reports BSS.

The meeting discussed the deteriorating law and order situation in the campus.

It was said in the meeting that the peaceful and normal academic atmosphere has been interrupted by the current incidents. Such activities were undesirable at a time when the academic activities were proceeding smoothly and all the examinations dates were declared.

The meeting sought cooperation from all concerned quarters for maintaining law and order on the campus.

The meeting decided to call the law enforcing agencies to maintain law and order on the campus as it was agreed in the meeting with the student's representatives on November 16.
