DU classes resume today

Varsity Correspondent

All classes of Dhaka University resume today (Saturday) after suspension for a week.

The University authority suspended the classes and examinations (See Page 8 Col. 6)

from May 11 to 16 to facilitate the students, teachers and employees to undertake relief and rescue work in cyclone devastated areas of the country.

The campus situation was normal on Friday. Police and BDR personnel were posted at different points on the campus.

It may be mentioned here that the University was rocked again with gun shots when two rival student groups clashed with fire-arms on Wednesday and Thursday.
