Early reopening of DU, halls demanded

A group of resident students of Dhaka University Thursday submitted a memorandum to the Vice-Chancellor demanding early reopening of the university and its 14 halls, reports BSS.

The students in the memorandum also said the closing down of the university would not help stop violence in the campus. It was observed in the past that closure of the university never brought any fruitful result. The students decided to stay in their respective 11 halls, the memorandum said.

The students in a statement to the press Thursday night said they would stage a sit-in-demonstration on August 3 at 10 a.m. in front of the VC's office to demand early reopening of the university and its 14 halls.
