Ctg Varsity teachers assaulted

Chittagong Office

CHITTAGONG, Aug. 14:—

Some students today went on rampage and ransacked the mathematics department of Chittagong University.

The students belonging to first year honours of Mathematics Department became violent following alleged discrepancies in the setting of the question paper in the on-going examination. They stormed into the department's teachers' room, manhandled some senior teachers and ransacked the university property. The melee continued for about one hour.

Earlier, the first year students of Mathematics Department in a procession went to the University administrative building and presented a memorandum to the university proctor demanding the postponement of their on-going examination. Tense situation is still prevailing in the department.

After the disperse of the agitated students, all the teachers of Mathematics Department went into an emergency meeting to discuss about the matter. The Science Faculty Dean and University Proctor attended the meeting.
