CHITTAGONG, July 4.—The Vice Chancellor of Chittagong University today remained gheraoed by the agitated Shibir supporters in his office for over four hours.  
More than 300 Shibir men gheraoed the Vice Chancellor, Professor Rafiqul Islam Chowdhury to press for the acceptance of their 10-point demand. The gherao programme began at 10 a.m. and continued till 2 p.m. But no untoward incident occurred.  
The Shibir supporters withdrew their gherao programme only after a meeting with the Vice Chancellor who reportedly assured them to do his best for implementing their demands. However, before being dispersed, they also held a rally there.  
A contingent of police is now deployed on the campus of Chittagong University for maintenance of law and order.
