and Mizanur Rahman of Bengali Department. Except Muhammad Yusuf, all other arrested students are accused in a case of violence.

Despite a disquieting situation and siege programme of the Shibir on the campus, the academic life in Chittagong University passed off peacefully today. However, a negligible number of students turned up on the campus. As a result, a few classes were held.

The shuttle trains carrying students from the city commuted to the campus in the morning on time. The teachers buses also plied. The administrative works in the university were also unaffected.

The Press release signed by the Registrar Dr SMM Huq Mazumder said that the university authority with a deep concern noticed that "a particular student body in the name of movement over the past few days committed a number of acts of terrorism on the campus of Chittagong University and its adjoining areas and in the city".

The Chittagong University Teachers Association (CUTA) also expressed grave concern at the sudden turn of 'boiling situation'. The CUTA President Prof Shah Alam and General Secretary Prof Siddique Ahmed Chowdhury in a joint statement to the Press condemned all the acts of terrorism and demanded exemplary punishment to those persons who were responsible for these incidents. They also urged the authority to take stern measures for resolving the crisis.
