DUCSU leaders won't participate in JS polls

Staff Correspondent

Khairul Kabir Khokan, Nazimuddin Alam and Rafiqul Islam, General Secretary, Assistant General Secretary and member respectively of the Dhaka University Central Students Union (DUCSU) denied reports published in a section of the Press that they had ever collected party nomination papers for contesting in the coming Jatiya Sangsad election.

In a joint statement issued on Friday, the DUCSU leaders said they had no intention of becoming public representatives at this moment. They said they would remain in the student movement untill democracy was established and the rights of education were restored.

They, however, hoped that they might go for positive decisions in future if they could prove their worth.
