Accommodation shortage in Rangpur Pry. School

From Our Correspondent

RANGPUR, May 20:—The Keshabpur Palichora Govt. Primary School under Saddopushkunni Union of Sadar thana of facing shortage of teachers and accommodation. All subjects cannot be taught everyday in a class due to the shortage of class room and teachers.

About 800 students are reading in this school. The school is being run in two shifts as it has no space to accommodate all students at a time in the class rooms.

The students of Class I to Class III are being taught in the morning shift and students of Class IV and Class V in the noon shift.

There are only five room including the teacher's common room. There are four teachers including the headmaster of the school.

One teacher takes two classes at a time by making arrangement for sitting in the veranda or in the premises of the school.
