APSU call to maintain peace during polls

Staff Correspondent

All-Party Students Unity has urged all concerned including political parties, candidates, students and the people in general to maintain peace and extend cooperation in holding peaceful elections during the Jatiya Sangsad polls today (Wednesday).

A Press release issued on Tuesday said that the much awaited polls under a neutral Government was going to be held today (Wednesday) in the country for transition to democracy. terming the election as the most important event in the country's history, the All-Party Student Unity said that the future of democracy in Bangladesh was dependent on the successful and peaceful holding of the polls.

Sounding a note of warning, the All-Party Students Unity said that any provocative activities either before or

after the elections would be unitedly resisted. The All Party Students Unity (APSU) has sought cooperation from all quarters to help prevent any undesired or untoward activities in the polls.

It urged the members of the volunteer brigades throughout the country to properly carry out their responsibilities during the polls today (Wednesday).

BSS adds:—The All Party-Students Unity (APSU) called upon the political parties, candidates and all others concerned to abide by the code of conduct for maintaining law and order in the election today and extend mutual cooperation.
