10 Pry-5 jr high schools to be set up at Bandarban

BANDARBAN, Jan. 24:—Chairman of Bandarban Local Government Council (LGC) Maung Kya Ching on Thursday said that five junior high schools and 10 primary schools will be set up during the current fiscal year for the under privileged people of the district, reports BSS.

Talking to BSS at his residence Mr Ching said the schools will be set up under food for work programme and with resources of the council.

He said Bandarban local government council had so far set up 25 junior high schools and 40 primary schools in the district from 1992-95 with the financial assistance from the council.

At present, about six thousand students are studying in those schools and at the same time 200 educated people have been provided with employment opportunities in the school, he said.
