City University to start classes

SOON

Government has approved City University in accordance with the Private University Act 1992 and the modified Act 1998.

Initially, the Graduation and Post Graduation degree in Business Administration and Computer Science and Engineering will be given from the University. In the second place, courses in Social Science, Arts, Engineering, Law and Medical Science will be conducted in this University subject to the approval of the Government.

Alhaj Anwar Hossain, Chairman Anwar Group of Industries is the founder of the University and Chairman, Board of Governors of the City University. Dr Mizanur Rahman Shelly, former Adviser to the Government and Chairman, Centre for Development Research, Bangladesh is the Chief Adviser of the City University. Professor Dr M Shamsul Haque former Director of Institute of Business Administration and former Treasurer of Dhaka University is the Vice Chancellor of the University, says a Press release.

To start with, the University will conduct its academic activities in 6th, 7th and 8th floor of Bulu Ocean Tower at 40, Kamal Ataturk Avenue. Subsequently, the University will be shifted to the proposed full-fledged academic campus to be set up at Kaliakoir. Accordingly, the sponsor Alhaj Anwar Hossain has already donated 40 bigha land for the City University at Kaliakoir.
