## DU students observe strike

Varsity Correspondent

The strike called by different student organisations in Dhaka University Sunday to protest against the syndicate decision over the investigation into the assault on women processionists on February 9 last year was observed peacefully.

No untoward incident occurred on the campus during the strike.

The nine student organisations: Chhatra League (H.A) pro-CPB, Chhatra Union and Jatiya Chhatra Dal demanded immediate trial of those responsible for it.

Dhaka University Central Student Union (DUCSU) also called for the strike on the same day protesting the violent attack on the bus belonging to Dhaka University and the serious wound inflicted upon student passengers in front of Bangla College at Mirpur.
