

All damaged educational institutions to be repaired

DINAJPUR, Sept 3: The Education Minister and Chairman of the Dinajpur District Relief and Rehabilitation Coordination Committee Mr. Mahbubur Rahman this morning visited several educational institutions which were damaged by flood, reports BSS.

An official handout said he addressed the teachers, students and guardians at Mohila College auditorium and lauded the role they played in helping and serving the flood affected people.

The Minister said that all affected, damaged, and destroyed educational institutions will gradually be repaired and reconstructed for which joint efforts of both the government and the people were necessary.

Stressing the need for national unity at this hour of crisis the Minister said let us give the President unity stability.

ity and support he will in return, give us required succour and support for repairing the damage and proper rehabilitation. He said, let us strengthen the hands of the President standing by his side as a family of hundred million people with strong fellow-feeling.

differences and party affiliations.

The Education Minister further said not a single family or house affected by flood will be left out of government attention and not a single road or bridge damaged or destroyed will be left uncared for.

The Minister held a meeting with the Local Army Area Commander Maj Gen M A Salam at the Local Circuit House this morning and reviewed the post-flood situation and requirements of further relief. DC and other local officials attended the meeting.
