### Students urged to take part in nation building activities

Education Minister Mahbubur Rahman on Monday called upon the students to participate in nation building activities shunning the path of terrorism and other activities which tarnish their image, reports BSS.

The Minister was inaugurating a two-day workshop of the "Students' Brigade" at the Shishu Academy here among others Deputy Education Minister Golam Sarwar and Chancellor's Adviser on Students Affairs Rafiqul Huq addressed the function.

The Education Minister said a new chapter of cooperation, assistance and reforms, including administrative and procedural, would unfold in the educational arena.

Mr. Mahbub said poor but meritorious students would be given educational loans from the present fiscal year amounting to about Taka 10 crore.

He also hinted that plans were underway to provide part-time jobs to students during their free time between the end of examinations and the publication of results.
