New era in edn from Jan : Zafar

GAZIPUR, Aug 27 (BSS) : Prime Minister Kazi Zafar Ahmed today said the country would enter a new era in the field of education from the first of January 1991 with the beginning of the implementation phase of compulsory primary education programme.

He said President Ershad had taken the historic programme to eradicate illiteracy from the country. He was laying the foundation of Kazi Razia Sultana Girls' High School here today.

Kazi Zafar Ahmed said the government of President Ershad was attaching high importance to

female education as they could render effective contribution in building up the posterity. He said, President Ershad had made the female education free upto class eight outside the municipalities with the belief that an educated mother could be a good teacher in a family.

The Prime Minister said, the country could go ahead only with the spread of education as it education could alone impart solution to a lot of social problems including population boom.

The Prime Minister, later, formally laid the foundation of the school through unveiling the plaque.
