Education Week from Jan 30

The National Education Week will be observed in auditorium on January 30, as Dhaka from January 30, Education Minister Sheikh Shahid Islam said.

Talking to BSS at his Secretariat office, the Education Minister said President Husaini Muhammad Ershad will inaugurate a seminar on education environment and examination system to be

The Minister said besides the seminar, the Ministry of Education would arrange an exhibition at the Shilpakala Academy premises, depicting various aspects of education activities, information and charts of development work.

The holding of cultural competition and Quirat recitation are the other highlights of the week-long programme, he said.

Moreover, the Education Minister said the best teacher and best educational institution would be awarded on the occasion.

Explaining the significance of the Education Week, Sheikh Shahid he week was aimed at creating awareness among people about the importance of education in the light of government's vowed programme of education for all by 2,000.

The National Education Week would also help improve the standard of education and promote better understanding among teachers, students, guardians and the administration he said.
