Varsity teachers' 2-day strike begins today

By Our DU Correspondent

Teachers of all universities of the country will observe a two-day strike beginning from today (Wednesday) in response to a call by Federation of Bangladesh University Teachers' Association (FBUTA) demanding arrest and punitive measures against the persons responsible for violent incidents at two universities of the country and withdrawal of 'false case' filed against ten teachers of Jahangirnagar University.

All scheduled examinations and proctorial activities of the universities will go on as usual. University teachers will bring out a silent procession from BUET auditorium and will hold a rally tomorrow (Thursday) at Dhaka University T.S.C premises to press home their demands.
