Women taking part in canal digging in Narsingdi

From Our Correspondent

NARSINGDI, Feb. 11: Women section of Narsingdi subdivision are also participating in canal digging voluntarily in different projects of the subdivision.

Syeda Nasima Hyder, President of Narsingdi subdivisional unit of Jatya Mahila Sangstha and Head-mistress, Narsingdi Pilot Girls High School told Times that a large number of women under Sangstha including the local school and college going girls participated in the canal digging work from river Arjo Khan to river Meghna in Rampura thana recently.

Besides, almost everyday women from all walks of life are taking part in the re-excitation work.

The re-excitation of another two-mile long canal from river Meghna to Shutir Canal and Naodara canal at Nazarpur union under Narsingdi PS is also going on satisfactorily on self-help basis.

The total volume of land to be lifted is 5,38,500 cft of which more than 3 lakh cft have already been lifted.

When completed, about 300 acres of land of the area will get irrigation facilities which will help an additional production of 6,000 maunds of paddy annually.
