## Yet to get SSC exam results

From Our Correspondent

RANGPUR, Aug. 7: Thirty-three examinees of Rangpur Police Line School are yet to receive the results of SSC examinations even after 12 days of the publication of the results by the Rajshahi Board.

As a result the examinees and the guardians are passing their days in anxiety.

When contacted the head of institution said they had submitted necessary papers and fees to the Board earlier but they were unaware of the reasons of the Board's holding up of the results of the thirty-three examinees.

It may be mentioned that A.F.M. Masud Akhter student of Police Line School stood first in Humanities Group.
