DU students for recovery of illegal arms from campus

Different student organisations Saturday brought out separate processions and held rallies at Dhaka University campus demanding the immediate recovery of illegal arms and arrest of terrorists from the university, according to press release, reports BSS.

Bangladesh Chhatra League (S-P) leaders at the rally alleged that armed outsiders were still sheltered at Mohsin, Surjasen, Zia, Bangabandhu and Jashimuddin halls of the university.

They demanded arrest of those armed caders and recovery of illegal arms. They assured of all possible cooperation to the law enforcing agencies in this regard. The rally also condemned the attack on Hasan Imam and demanded immediate arrest of the terrorists who were responsible for the incident.
