Nobel Prizes
STOCKHOLM, Oct 6 - The Nobel Prizes for Chemistry, Physics, Medicine, Economics and Literature will be announced by October 20, with only the literature prize's date uncertain, observers here said on Wednesday. The prizes, which are worth about 350,000 dollars each will be awarded to the laureates on December 10 in Stockholm. The Peace Prize awarded to the United Nations Peacekeeping Forces was announced on September 20, reports AFP.
