No notice on govt about edn institutions

DHAKA, Oct 22 (BSS): Law and Justice Minister Habibul Islam Bhuiyan today categorically denied that any "demand of justice" notice was served on the government pertaining to Educational Institutions' Ordinance 1990.

The Minister said no such notice was received by the Ministries of Law and Education.

Mr. Habibul Islam expressed surprise when his attention was drawn to a news item, published by some newspapers that the time for a reply on the demand of justice notice served on the government had expired at 10 a.m. of October 21.

The Law Minister said no demand of justice notice was served on the government, demanding a reply from it by 10 a.m. of October 21 for submitting a writ petition in the High Court Division challenging the legality of closing Dhaka University and other educational institutions for a month by the government under No. 13 Ordinance of 1990.

He said this type of news was motivated and baseless and it was an effort to damage the image of the government before people.
