## BCS Edn body postpones strike

By A Staff Reporter

The BCS (General Education) Association Tuesday postponed its programme of indefinite strike till December 9 next, says a press release.

The programme of strike was scheduled to begin on December 16. The national conference of the association, scheduled to begin on November 11 and 12, will now be held on December 9 and 10 at the Teachers' Training College, Dhaka.

The decision to postpone the strike was taken following a fruitful discussion between Education Minister Barrister Jamir Uddin Sircar and leaders of the association on Monday.
