Sirajganj Govt College closed

SIRAJGANJ, Aug. 3: Authorities today declared Sirajganj Government College closed sine die after two days of violent clashes between the student fronts of BNP and Awami League, reports UNB.

College sources said an organisation had resorted to violence after defeat in the student union election on Thursday. JCD swept the polls.

Some 55 people have been injured in widespread clashes between the supporters of Jatiyatabadi Chhatra Dal (JCD) and Chhatra League (A-A) since Thursday, creating panic throughout the town.

The feud has now percolated into the two political parties here, and Awami League supporters were said to have gone into hiding to avoid clashes with BNP.
