DU hall capture: Matin rejects Hasina's claims as total lie

By A Staff Reporter

Minister for Home Affairs Mr Abdul Matin Chowdhury in a statement on Friday described Awami League chief Sheikh Hasina's allegation on Dhaka University hall capture as "total lie, fabricated, baseless and motivated."

The Minister said that Sheikh Hasina made an attempt to shift the responsibility of inner conflict, armed clashes and violence among various groups of AL and its student wing on others. He described the effort as unfortunate and regrettable. "The nation does not expect this from the Leader of the Opposition in Jatiya Sangsad", he said.

The Home Minister said that the government was determined to eradicate terrorism from the society including the campus.
