### HSC exam schedules on Aug 15, 21 changed

The authorities have changed the examination schedules of August 15 and August 21 of the current HSC (higher Secondary Certificate) Examinations under the four boards because of "unavoidable circumstances" and observance of a religious occasion, reports BSS.

The examinations scheduled to be held on August 15 in the morning and afternoon shifts will now be held at the same hours on September 4. The change has to be made due to "unavoidable circumstances", a PID handout said on Thursday.

Because of government holiday on August 21 on account of Eid-e-Miladunnabi, the examinations scheduled to be held on that date in the morning and in the afternoon shifts will now be held on September 5. The time table of the examinations will, however, remain unchanged.
