### Teachers urged to conduct HSC Exams with honesty

BCS General Education Association has called upon the teachers to conduct the H.S.C. Examination with honesty, sincerity and moral courage. President Dr. Q.A.T.M. Habibur Rahman and Secretary General Md. Abu Yusuf in a joint statement said that a peaceful and fair examination is the precondition of restoring the sanctity and standard of education. They said that to resist unfair means in the examination, teachers were the victims of terrorism and attacks in the past.
