## Admission date extended

DHAKA, Dec 30 (BSS): The last date for reaching applications for admission into the concerned cadet colleges in class seven has been extended from January 3 to January 10, an ISPR press release said here today.

Applications of those candidates would be acceptable who have appeared in the examination of class VI but their results are not published. However, candidates have to send their pass certificate quoting index number serial number of their applications to the concerned cadet college immediately after publication of their results.
