of the prime objective of his government was to establish the teachers in their rightful place in the society so that could play their designated noble role of building the future generations.

Referring to the commendable contributions made by the teachers in facing the recent devastating floods in the country, he mentioned with thanks the donations of Taka one crore fifteen lakh they had given for their flood stricken brethren despite their own constraints.

The President said besides the services rendered by the teachers to mitigate the suffering of the flood affected people, schools and colleges in the flood hit areas were used as relief camps.

He said because of the solid unity of the nation and cooperation rendered by all sections of the people, the country could overcome the floods of unprecedented magnitude this year. He thanked all including the teachers for their services to the suffering humanity.

President Ershad told the teachers of the steps taken by the government for prevention of the menace of recurring floods in the country. He also told them about his visits to India, China, Nepal and Bhutan for solving the problem through regional approach.

The Secretary General of the Federation, Principal A. K. M. Shahidullah, expressed the solidarity of the entire teaching community of the country with the efforts of President Ershad for serving the cause of suffering humanity. He said the teachers had been with President Ershad in the past and would continue to be with him in the coming days.

In a special resolution unanimously adopted in the meeting of the National Executive Committee of the BFTA commended President Ershad for successfully tackling the recent unprecedented floods in the country.

The meeting observed that this was possible as the people

of all walks of life became united under the leadership of President Ershad in facing the floods with courage as well as mobilisation of the Armed Forces in rescue and relief operations.

The resolution readout by Prof Kazi Farooq Ahmed said that the revival of people's consciousness as that of the War of Liberation in 1971 in facing the floods in 1988 would remain as an example to be followed in history.

It said President Ershad had earned honour for the nation by dint of his hard labour farsightedness and coordination on the basis of greater national unity in facing the flood. He also achieved diplomatic success for the country as the 43rd meeting of the General Assembly of the United Nations adopted a resolution seeking international assistance for implementing short medium and long term flood mitigating programmes.

It also observed that signing of the U.S. Congress Bill on "disaster assistance for Bangladesh" by President Ronald Reagan was the clear recognition of President Ershad's programmes and expression of the unstinted friendship of the people of America with the people of Bangladesh.

Referring to the visit of President Ershad to India, Nepal, Bhutan and China seeking regional cooperation for mitigating the occurrence of disastrous floods in Bangladesh the resolution said this had opened a new vista of regional cooperation and achieved a positive progress in this regard.

The meeting termed the formation of National Disaster Prevention Council on the basis of national unity as an historical event. It said the whole nation had its support to the post-flood relief and rehabilitation programmes of the government including Taka 150 crore agricultural rehabilitation programme, distribution of Taka 1,200 crore agricultural loan and Taka 50 crore loan for purchasing draught animal.

It said that the decision for forming Riu Shalsi Board was an epoch-making step which also had the support of the whole nation.

The meeting announced full cooperation of the federation in implementing the schemes undertaken by the Education Ministry for reconstruction of the damaged educational institutions.
