## Ershad lays Khulna Varsity foundation tomorrow

From Our Staff Correspondent  
Khulna, March 7: President  
Hossain Muhammad Ershad  
will lay the foundation stone  
of the proposed Khulna Uni-  
versity on Thursday at Gallamari,  
about three miles away  
from Khulna.

The university will be a tea-  
ching-cum-Affiliating one with  
jurisdiction over the entire  
Khulna Division. It will have  
discipline in art, science, com-  
merce and social sciences.

An officials source said near-  
ly 97 acres of land were hand-  
ed over to the varsity auth-  
ority about two years ago for  
the start of its work.

Though the official decision  
to set up the university in  
Gallamari area was announced  
over two years ago, there has  
been little progress in this res-  
pect due to several reasons.  
One of the reasons is that no  
consultant for preparation of  
architectural and structural  
plans and designs has yet been  
appointed and there were com-  
plaints regarding the suitabil-  
ity of land for constructions  
of multistoried buildings.

Experts later oked the  
present site.
