Highest priority to edn given : Biswas

President Abdur Rahman Biswas stressed the need for qualitative improvement of education to enable students to succeed in the highly competitive world, reports UNB.

"Raising the standard of education, entirely depends upon the sincere and devoted endeavour of teacher and educationists, he observed.

President Biswas was talking to a 17-members delegation of the Barisal unit of Bangladesh Teachers Association when they called on him at Bangabhaban Wednesday.

Talking to them, President Biswas also underscored the need for the unique responsibility of teachers in building students as the future citizens of the country.

The government has given

highest priority to education, the President said adding that the teachers are to discharge their duties with utmost sincerity, so that the massive education programmes of the government could be implemented properly.

In a memorandum, the representatives led by Convener of the teachers' association Mujibar Rahman, appealed the President for establishment of a teachers' training college and an education board, and improvement of the road communication in greater Barisal.

The delegation members Mohammad Lutfar Rahman, Mohammad Shafiqul Islam, AKM Anisur Rahman, Romesh Chandra Das and Abdul Mannan were also present, said a press release issued here Wednesday.
