### House bldg advance will be given to pry teachers

Advance for house building will be given to the teachers of government primary schools like other government employees, reports BSS.

The Education Minister gave this assurance to the representatives of national federation of teachers' association at a meeting held Thursday at the conference room of the Education Ministry.

The assurance also include

taking steps for ensuring cent percent of pay and allowances of teachers and employees of non-government and private schools and colleges and sending of government part of the pay and allowances of teachers and employees directly to the respective bank accounts every month.
