Highest amount allocated in edn sector: Anwar

SANARPUR, (Narayanganj), Feb 5: Commerce Minister M.K. Anwar said here Thursday that the government had allocated the highest amount in education sector in the budget of the current fiscal year for the uplift of our population, reports BSS.

He said that primary education for all children had been made compulsory to increase the literacy rate.

He was addressing the annual prize giving ceremony of Sawarpur Shaikh Mortaza Ali High School in Narayanganj district.

Presided over by Alhaj Shaikh Mortaza Ali, the founder president of the managing committee of the school the ceremony was addressed, among others, by the headmaster of the school Azizur Rahman and a director of Sadharan Bima Corporation Sirajul Islam.

Commerce Minister said that peace and stability are the preconditions for smooth completion of any development activity.

He said that the government led by Begum Khaleda Zia was voted to power by the people two years ago and her government is trying with its utmost capac-

ity to raise the socio-economic condition of the people.

The minister said that some opposition leaders were trying to foil our hard earned democracy. He urged the people not to be misled by the so-called sweet words of those political leaders.

Mr. M.K. Anwar, distributed prizes the winners in different events of the game.
