Top priority given to education

MYMENSINGH, Feb 8: State Minister for Relief Lutsfur Rahman Khan Sunday said that the present democratic government attached top priority to education which could only change the fate of the people and ensure

their progress and prosperity, reports BSS.

He was addressing a students gathering at Iswarganj Degree College ground here Sunday.

Whip Advocate M A Karim and the Principal of the college Abdur Rashid also addressed the gathering.

The State minister said, the students are the backbone of the nation, who can play the pioneering role in nation building activities.

Mr. Khan advised the students to be honest, polite and patriot. He said those who are real students do not attach themselves with dirty politics and violence.

Expressing the firm determination of the government to rootout terrorism from the educational institutions, the State Minister said stringent measures would be taken against miscreants irrespective of their party affiliations.

The State Minister called upon the students to engage in study for building themselves the worthy citizens.
