Edn Ministry's move to install absorbed teachers in colleges protested

By A Staff Reporter

B.C.S. General Education Association on Tuesday strongly reacted to the initiative of Education Ministry to implement the verdict of the higher court to install the absorbed teachers of nationalised colleges in accordance with their respective posts.

B.C.S Education Cadre in an emergency meeting held at Kabi Nazrul College said that implementation of the court's verdict will be the cause of huge loss of directly recruited teachers.

The meeting observed that the education system and cadre structure will be on the verge of collapse if the verdict was implemented.

The meeting also demanded for taking punitive measures against persons handled the case in favour of the government.
