Budget allocation for edn to be increased

PANCHAGARIH, Mar 11: Education Minister Barrister Jamiruddin Sircar today said the BNP government was implementing numerous epoch-making programmes with a view to eradicating the curse of illiteracy from the country, reports BSS.

He was addressing separate functions while laying foundation stones of academic buildings of Atowary Pilot High School, Balarampur High School and Science Building of Sardarpara High School under Atowary thana.

The Education Minister said our all efforts for uplift of the country would not get full momentum keeping the vast masses uneducated. With this end in view, he said ever highest budget for education had been allotted in the current fiscal year and added the budget allocation for education would be increased in the next fiscal year.

Barrister Sircar said the government had made primary education compulsory and launched mass literacy, food

for education and girls stipend programme to ensure education for all. He called upon all to help ensure enrolment of all children in schools for the sake of nation's development.

Earlier, the Minister also attended functions at some educational institutions under Boda thana of the district.
