Edn Week '93 at school level from May 11

The education week '93 will be observed this year at thana, district, division and national levels, reports BSS.

The main theme of the education week will be life-oriented education. A decision to this effect was taken at a preparatory meeting held at the conference room of the Ministry of Education with Education Minister Barrister Jamiruddin Sircar in the chair.

An official handout said the meeting decided that the week will be observed at school, college and madrasa levels from May 11 to 13, at thana level from May 17 to 19, at district level from May 23 to 25 at division level from May 28 to 30 and at national level from June 7 to 9, 1993 in a befitting manner.

It has approved organising committees at thana, district, division and national levels. It decided that the thana, district and divisional committees will hold competition in 12 items in two groups for sending names for competition at national level. These committee will select best teachers and educational institutions and they will be rewarded at national level. Three colleges, three secondary boys schools, three girls schools and three

madrashas, two college teachers, two school teachers and two madrasa teachers will be selected from Dhaka metropolitan area.

The education week will be observed at the university level. The Vice-Chancellor will form a committee which will hold competition in 12 items and send the names for 1st, 2nd and 3rd competitors in each item. Total of 10 college teachers, 10 school teachers, 10 madrasa teachers, five colleges, five secondary boys schools, five secondary girls schools, five madrashas, two college teachers, two secondary school teachers and two madrasa teachers, one college, one boys school, one girl's school, and one madrasa from Dhaka city area, one polytechnic institute, and one vocational training institute and three competitors in 12 items in three groups will be rewarded at the national level.
