

Govt urged to withdraw all amendments to DU Order '73

225

By A Staff Reporter

A general meeting of the Dacca University Teachers' Association was held on Wednesday.

The meeting in a resolution urged the Government to immediately withdraw all amendments to the Dacca University Order, 1973.

The meeting urged the deans of different faculties of the university who have taken charges as deans under the provisions of the amendments to resign immediately and called upon the teachers not to participate in election of deans under provisions of the amendments.

In another resolution the meeting decided that the teachers would not cooperate with those who would take charges as chairmen of departments, according to the procedures provided under the amendments.

The meeting demanded higher rate of house rent to teachers and provision for free medical treatment of the members of their families.

National science week from Sunday

By A Staff Reporter

The 3-day central competition of the third National Science Week will begin at the Laboratory High School and the Teachers' Training College at 9 a.m. on Sunday.

The competition will be inaugurated by Vice-President Mr Justice Abdus Sattar at Dacca College Auditorium. Dr. R A Ghani State Minister for Science and Technology will be present at the inaugural function as the special guest.

A total of 750 young scientists from all over the country will participate in the central competition.

It may be mentioned here that the sub-divisional level competitions and exhibitions of the third national science week was concluded on April 4. Those who have secured first position in different events at the sub divisional level competition have been invited to participate in the central competition.

Dr. R A Ghani State Minister for Science and Technology will distribute the prizes to the winners at a function at the Teachers' Training Centre on May 13 at 4 p.m.
