### Edn commission meet May 9

The first meeting of National Education Commission, will be held on May 9 and the Commission will start functioning from that day, reports BSS.

The Commission will discuss in detail the entire field of education. The Commission will prepare definite recommendations for proper management and reforms at various levels of education, such as, primary, madrasa, secondary, technical and medical colleges and universities.

The recommendations would focus on making education at various levels development-oriented, timely avoiding misuse and providing increased opportunities for research at the higher level.

The Commission is composed of experienced educationists and administrators of the country. They include the past and the present Vice-Chancellors of different universities, Vice-Chancellor of the Islamic University, Principal of Dhaka Alia Madrasa and members of the University Grants Commission.
