School buildings constructed in Tangail dist.

TANGAIL, July 1: Facilities department under the Ministry of Education has constructed 25 academic buildings for 25 non-government high schools in Bashail and Shaakhipur thanas of the district at a total cost of Tk. two crores in last two financial years, reports BSS.

Of the schools building, 14 in Bashail and 11 in Shaakhipur were constructed each with Tk. 8 lakh.

Official sources added that one academic building each for all the high school in these thanas will be constructed in phases to provide accommodation facilities for students like wise.

Besides this, the government has recently sanctioned Tk. 25 lakh for the two thanas for the development of schools, mosques, clubs and approach roads of the organisations.
