Pry. school teachers not getting salary

From Our Correspondent

DINAJPUR, Sept 18: One hundred and fifty eight teachers of 39 primary schools under Hakimpur police station have not received their salary of August, it is learnt. It is also known that the teachers have not received Eid-ul-Fitr advance.

It is alleged that the relevant authority has not yet approved the allotment of salary and Eid advances of the primary teachers for unknown reasons. As a result, 158 primary teachers of Hakimpur have to suffer a lot in these hard days and more so after the holy month of Ramzan.
