On university elections

Dear Editor,

It is reported that the Dhaka University authority has decided to hold the election to Dhaka University Central Students Union (DUCSU) on March 22.

In the meantime, Prof Abdul Mannan, the Vice-Chancellor of Dhaka University and President of DUCSU, has urged all students of the university to extend help and cooperation to holding the DUCSU polls properly and peacefully.

We would also like to request the students of this university

to extend their best cooperation to the university authority in holding this election smoothly and hope that through the united and conscious efforts of all groups and quarters the polls will be held peacefully.

Whether anyone wants it or not, DUCSU plays a very important role specially in the nation's political and cultural life. DUCSU has attained this prestigious position through a

long historical process as the students of Dhaka University have been playing a pioneering political and cultural role from the beginning of this university and more particularly after the establishment of Pakistan in 1947. At different crucial moment, of our political life, the students of the university could come forward to boost the morale of this nation. So we

are proud of them.

We want that the students of Dhaka University should remain at the same national esteem for all times to come so that they are able to keep the light of our hopes and aspirations ever burning by removing the dangerous trends towards violence, anarchy and anti-social activities that are threatening to

their best cooperation to hold trouble-free DUCSU polls. In this way they will be able to provide a moral leadership by challenging the present deteriorating and demoralizing condition persisting in the country.

Yours sincerely
